Task 1

Read the text. Make up and write 5 questions to the text. (25 points)

Two thousand years ago English did not exist. A thousand years ago it was a language used by less than two million people. Now it is the most influential language in the world. English spoken by more than a billion people on the planet. English currently dominates science, business, the mass media and popular culture. For example, 80% of e-mail on the Internet are in English. English is going to become even more important as a global language, dominating the world's trade and media while most other language will become localized or just die out. But where will English be at the end of third millennium?

Write your questions
